

MRS. JOSEPH WILLIAM GEX

Miss Virginia L. Alexander Becomes Bride of Joseph Gex

Miss Virginia Louise Alexander, daughter of Mr. and Mrs. Rolland H. Alexander of West Jefferson, Ohio, became the bride of Joseph William Gex, son of Mrs. Omer J. DeBever and the late Walter Joseph Gex Jr., of Bay St. Louis at a Nuptial Mass at 2:30 p.m., Saturday in Our Lady of the Gulf Catholic Church.

Rev. James J. Hannon, pastor, and Rev. Walter Maloney, pastor St. Clare's Catholic Church, Waveland, officiated.

Monsignor Hannon performed the double ring ceremony before an altar decorated with vases of white gladioli, mums and majestic daisies. Baskets of the white blossoms were on either side.

Escorted to the altar by her father, the bride wore a white organza gown fashioned with a high neck of Swiss embroidered lace. The skimmer silhouette of the gown was enhanced by the attached double organza train, organza neck yoke and Bishop sleeves. The matching cathedral length mantilla was edged in Swiss embroidered lace. She carried a bouquet of lilies of the valley and stephanotis.

Mrs. Allan Tullos, Ghanna, Ohio, was her sister's matron of honor. Bridesmaids were another sister, Mrs. James Kirk of Columbus, Ohio, Mrs. Guy Billups Jr., Hammond, La., Mrs. Walter Gex III, Jackson, and Mrs. Hartwell Gex, Pass Christian.

They wore A-line gowns of nile Karati featuring high necklines and three-quarter length white chiffon sleeves with matching Karati cuffs.

A petite band of daisies trimmed the neckline and cuffs and a self bow and streamers fell from the high back to the hemline. Their head pieces were Dior bows with matching illusion and they carried white daisies and stephanotis.

Hartwell Gex served his brother as best man and Walter Gex III, Jackson, Guy Billups Jr., Hammond, Robert Genin Jr., Bay St. Louis, and Joseph Per-

ault, Baton Rouge, served as groomsmen.

Ushers were Lars Phillips of Houston, Texas; James Laroux, New Orleans; Michael

Kenny, Bay St. Louis and Edgar Dabbs, Bay St. Louis.

A reception followed the ceremony at the home of the groom's mother, 884 South Beach.

The bride's table, overlaid with a net cloth over white satin, was centered with a four-tiered cake trimmed with spun sugar roses. The top-tier, separated by Grecian pedestals, was topped with a nosegay of stephanotis and fleur d'amour interspersed with bows and tulle.

Mrs. Lucien Gex, aunt of the groom, presided at the cake table; his aunt, Mrs. Stella Gex, and Miss Ethel Gex alternated at the punch table. The first book was kept by Mrs. Victor Leveau.

GOP Leaders Hear Of Troop Withdrawal

By Drew Pearson

President Nixon has confided to Republican congressional leaders that he would like to begin withdrawing American troops from Vietnam and replacing them with South Vietnamese troops this year. But he would like the proposal to come from Saigon.

"It would be better to let the idea come from Thieu and Ky," he said, referring to South Vietnam's president and vice president.

Meanwhile the Rand Corporation and Hudson Institute, two of the nation's biggest policy planners, have drafted detailed projections for an American withdrawal.

The Paris negotiators are dramatically close to a military settlement. The big obstacle, which may hold up a peace for months, will be a political settlement. The search for a political strategy, more than anything else, is what is bringing President Nixon and President Thieu to Midway Island for their June 8 mid-Pacific meeting.

The President denied press reports that resistance from our South Vietnamese allies had precipitated the meeting. Relations between Washington and Saigon are better, he indicated, than at any time since the bombing halt.

In fact, he said, the South Vietnamese not only are willing to discuss a political settlement but are secretly studying a constitutional amendment which would permit communists to vote in a national election. President Thieu would, however, also like an amendment to extend his presidential term from four to seven years.

Despite the optimistic outlook for a Vietnam settlement, Nixon repeated to GOP leaders that he is prepared for an outcome if the peace negotiations break down.

"It is important to note," he said sternly, "if we should be rebuffed we have other options."

HANOI WILL BE SLOW. Speaking in confidence, he said that he had held up his peace proposals almost three weeks because of the communist attacks and shelling of South Vietnamese cities.

"The decision to make the speech," he said, "was made on April 20." He didn't want to try for peace while South Vietnamese cities were under constant fire. It might have made it appear that he was reacting to military pressure.

While the South Vietnamese security adviser Henry Kissinger boasted to the GOP leaders that, outside of the communist bloc, the President's proposals had received a favorable response everywhere except in Hanoi.

"For the first time," he said, "the Japanese leaders supported the United States position on Vietnam. Even in Yugoslavia the reaction was moderately good."

Lay Leadership Dinner Planned

A dinner meeting, designed to better acquaint the lay leadership of the Baptist churches in the area with the new state executive secretary, Dr. W. Douglas Hudgins, has been scheduled for 7 p.m., June 3 at Gulfshore Baptist Assembly.

The meeting, first in a series of several such gatherings designed to cover the entire state, is being sponsored by the Executive Committee of the Mississippi Baptist Convention Board, Dr. Robert L. Hamblin, Tupelo, chairman.

Our readers write

Editor, The Sea Coast Echo:
 I am writing you to express my appreciation for the article in your issue of May 21, 1969, regarding the health of the community. It is a healthy thing to have a community that is concerned about the health of its citizens.

It is to help achieve this goal that I am submitting the following suggestions for consideration:

That the Administration initiate the traditional and unique American custom of the Town Meeting.

That these meetings will be held in every citizen's home of personal ownership, pride and responsibility in his community.

That these meetings be held at regularly scheduled periodic intervals on a set date, such as quarterly - the first Monday of March, June, September and December.

That the Mayor and each Commissioner shall give a factual and concise report of the past period for his particular department, including financial and physical, progress and problems.

That the floor shall then be opened for a set period for questions and suggestions from the citizens.

That every citizen shall feel it is his duty to attend and participate, as a shareholder in the community and its future.

Sincerely,

Dear Mr. Hall:
 The following social security article is being submitted for publication.

A total of \$181,000 in monthly social security benefits was being paid to residents of Hancock County at the end of December 1968, an increase of \$7,000 above the amount payable at the end of February 1968, according to Theodore F. Robinson, district manager of the social security office.

"Throughout the country, monthly benefits payable at the end of 1968 amounted to nearly \$2.1 billion, some \$350 million higher than at the end of 1967," Mr. Robinson continued.

"Approximately three-quarters of the increased monthly amount resulted from higher benefit rates authorized by the 1967 amendments to the Social Security Act. The remainder of the increase was simply due to a greater number of beneficiaries."

By the end of May 1969, social security will be paying monthly benefits to more than 25 million people -- 1 out of every 8 Americans. Although retired workers comprise the largest group of beneficiaries, almost one-fourth of all people receiving benefits are under 60. There are currently more than 3.8 million children and 5 million young with mothers receiving payments. Yet the public continues to think of social security as a program for old people.

In Hancock County, 599 people under 60 are receiving be-

A Conservative View

by James J. Kilpatrick

Judge Warren Earl Burger of the United States Court of Appeals for the District of Columbia Circuit has devoted a lifetime to the study, the teaching and the practice of the law.

Born September 17, 1907 of Swiss-German stock in St. Paul, Minnesota, Judge Burger spent his early years on a farm outside the city. He attended public schools in St. Paul and worked his way through the University of Minnesota and the St. Paul College of Law, now Mitchell College of Law, attending school at night and working days in the office of the Mutual Life Insurance Company of New York. He was graduated magna cum laude from St. Paul in 1931.

Following admission to the Minnesota Bar the same year, he combined a career in private practice with a career of teaching at his alma mater.

From 1931 on, he was an associate in Boyesen, Otis and Faricy, and partner in the successor firm of Faricy, Burger, Moore and Costello.

During his twenty-two years in private practice, his range of cases ran the gamut of civil and criminal law. He argued close to a score before the United States Supreme Court and dozens more before State Supreme Courts and United States Appellate Courts. During the same period, he did post graduate work at both the New York University School of Law and the Hague Academy of International Law in Holland.

In 1953, Judge Burger came to Washington to become Assistant Attorney General in charge of the Civil Division of the Department of Justice. Three years later, President Eisenhower named him to the United States Court of Appeals for the District of Columbia Circuit.

Judge Burger, along with Justice Brennan of the Supreme Court, is a member of the faculty of the Appellate Judges Seminar at New York University. This Seminar provides an intensive two-week course each summer to State Supreme Court Judges and the United States Court of Appeals Judges.

For four of his summers on the Appellate Court, he has traveled to various nations of Europe visiting criminal courts, prisons and mental institutions to evaluate European approaches to the problems of criminal justice. His studies and travels are reflected in numerous articles in law journals and other publications.

He holds honorary doctorates in law from a number of schools including Ripon College in Ripon, Wisconsin, the Mitchell College of Law, and MacAlester College.

Judge Burger also currently chairs a project that has been described as the largest undertaking in the history of the American Bar Association -- its voluminous study of the Minimum Standards of Criminal Justice. Underway four years already, the study is expected to be completed by 1971.

Judge Burger was married to the former Elvera Stromberg in 1933, and has two children, Wade Allen, 32, of Arlington, Virginia, and Margaret Elizabeth, 22, of Arlington.

Judge Burger has urged those seeking his judicial philosophy, to "read my opinions and draw your own conclusions." Yet, his personal philosophy of government was accurately reflected in three concise paragraphs of a commencement address at Ripon College in May, 1967.

"Governments exist to protect the rights and interests of its citizens -- to protect their homes and property and their persons and their lives. If a government fails to do this, it is not a government. It is a mere machine for the protection of the rights of defendants in the criminal courts. It is a machine for the protection of the rights of defendants in the criminal courts. It is a machine for the protection of the rights of defendants in the criminal courts.

"Our system of criminal justice, like our entire political structure was based on the idea of striking a fair balance between the needs of a society and the rights of the individual. In short, we tried to establish order while protecting liberty. It is from this we derive our description of the American system as one of ordered liberty. To maintain this ordered liberty we must maintain a reasonable balance between the collective need and the individual right, and this requires periodic examination of the balancing process as it changes. Checks the process on his boilers."

Truth is stronger than fiction.

In a country like ours, where you have thousands of products and services to choose from, advertising is your best source of information. It tells you what's available, what's new, and helps you decide what to buy. And, naturally, when you buy something that lives up to its promise, you buy it again... and again.

That's why nearly 44,000 major American businessmen voluntarily pledge allegiance to the Advertising Code of American Business. They know the rewards of selling the truth, and nothing but the truth. They know truth is stronger than fiction. And darn good business too.

Police Warns Road People Of Memorial Weekend

Paul A. Edwards, President of the Mississippi Safety Council, warned that the Memorial Day weekend will expose more people to possible traffic accidents than on normal weekends. He said it is necessary for the motoring public to be extremely careful when on a Mississippi street or highway during this period.

"Memorial Day is remembered best because of the Indianapolis 500 Mile Race," he said. "However, let us remember the high speeds of the races occur on a track designed for high speeds and not on a public highway," said Edwards. Edwards said that Memorial Day was also the beginning of the vacation season and that motorists should make certain his vehicle is in good mechanical condition before departing on a trip.

He reminded that although the motor vehicle inspection is designed to make all cars meet minimum safety standards it must be remembered that mechanical defects can appear at any time. Tires can wear out or be punctured, or a headlight can become defective at any second.

Edwards warns against driving too fast for conditions and that the "slow poke" is more dangerous than many speeders. The Council President suggested that drivers move with the flow of traffic.

He said there is no reason why a Memorial Day weekend can't be as safe as any other during the year. "Obeying traffic laws and remaining alert at the wheel can often mean the difference between life and death on the highway," he said.

Memorial Day weekend last year took the lives of 10 Mississippians, Edwards said. Defensive driving on the part of all motorists could reduce that number considerably and make Memorial Day 1966 a much happier and safer holiday.

MR. AND MRS. HERBERT SHIYOU AND SON OF BAY ST. LOUIS ACCEPT DELIVERY OF PICK-UP TRUCK FROM LAMAR-LANE CHEVROLET SALESMAN J. C. KOENEN.

Mr. Shiyou was in need of a good pick-up truck so he visited Lamar-Lane Chevrolet and asked for salesman J. C. Koenen. J.C. had already sold several members of Mr. Shiyou's family cars and told him about the very good deals that he offered at Lamar-Lane Chevrolet. Mr. Shiyou was able to get a good pick-up truck at a reasonable price from Lamar-Lane Chevrolet and J.C. Koenen. The folks at Lamar-Lane Chevrolet all try very hard to please their customers. MR. BILLY BOSWELL GETS HIS NEW CHEVY SPORT COUPE FROM LAMAR-LANE CHEVROLET SALESMAN HERB BARON AS HIS BROTHER BUDDY SEE THAT IT'S WELL DONE.

Mr. Billy Boswell of Bay St. Louis, Miss. has just received his new Chevrolet Sport Coupe from Lamar-Lane Chevrolet, in fact he bought his last car from Herb Baron. Naturally he went to Herb and got by far the best deal offered. Mr. Boswell is very much impressed with the service department of Lamar-Lane Chevrolet, they have the service personnel that are factory trained for all car troubles. If you're in the market for a new car, truck or station wagon the place to go is Lamar-Lane Chevrolet, ask for Herb Baron.

SCHOOL'S OUT and classroom freed kids are singing the pop version of the old classic: "No more classes, no more books, no more teacher's dirty looks, etc." Equally jubilant teachers may also breathe sighs of relief, although many in this educationally oriented area face a semester of further study instead of the long three months of relaxation enjoyed by most of their fellow pedagogues in years gone by. To parents, to most instances, the vacation period is viewed as a mixed blessing. For the first few weeks the let up in the daily grind is a welcome relief. The temporary truce in the battle of "catch the school bus" means a few more winks of sleep, the respite from homework supervision also means more free time. The warm days, will float by smoothly and you'll wonder just what it was that made last summer seem so hectic—that is until one of your offspring appears underfoot wearing a bored expression and says: "what am I going to do now?" This is the day when mamas begins staring wistfully at calendars and praying for the rapid arrival of Labor Day.

LOCAL RESIDENTS have many advantages over city dwellers as proximity to beaches offers a natural solution to recreation problems. Unfortunately, this also exposes youngsters to a number of hazards which many are not adequately forewarned to avoid. Coincidental with the final day of school, the number of cases handled in the emergency rooms at Hancock General Hospital increase alarmingly in number. Last summer we had an unprecedented number of tragic drownings. Deep holes left as a result of beach dredging have been filled, which should remedy this situation; but small tots have been known to lose their lives in only inches of water, so never leave a small child alone in any body of water, including a bathtub. No swimmer, no matter how experienced, should ever venture out alone, and as for diving—it seems foolish to warn of the dangers of striking submerged objects in even deep water, as everyone knows never to dive until you have first checked the area thoroughly. Yet almost every summer someone is either killed or paralyzed as the result of such a mishap. Numerous others suffer painful and sometimes serious injuries as the result of stepping on broken bottles, rusty cans and similar objects imbedded in the sand.

WE REALLY DON'T want to sound like a spoil sport, but after so many years of writing unpleasant accident statistics, we hate to think of the inevitable number that will crop up again to ruin vacations for both hometown folks and visitors. Have a good time, but please try to proceed with at least a minimum of caution. We'd much rather write social doings than obituaries!

ANOTHER BUMPER CROP of seniors have bid farewell to their alma maters within the past couple of weeks. County school graduates were first to receive diplomas; 57 St. Stanislaus 12th graders were rewarded with sheepskins in impressive ceremonies at Our Lady of the Gulf Church last Saturday morning, May 17; and the largest local graduation ever took place at Tiger Stadium Friday night when 147 Bay High seniors moved golden tassels from right to left before receiving diplomas.

THERE WAS STANDING ROOM ONLY in the south bleachers and Eloise and Tommy Hayes, parents of the salutatorian, Linda Hayes, and their guests, were among those who viewed proceedings standing in the grass in front of the stands. Frances and Tony Compretta and entourage were more fortunate as they arrived in plenty of time to be seated, before listening to the valedictory speech of their daughter Marcia. We wouldn't even try to begin to list all who were jam-packed on benches, but just a few who happened to be seated or standing near your reporter included: Toddie and Larry Jacobi, Delta and Larry, Jr. and Mrs. Delta Lizana; Mrs. Lester LaFrance, Elaine and Ray Bordages, the Pete Martins, Betty and Fred Rose, Laurie and Dave Poindester, Pat and Joe Vigniera, Norma and John Dougher, Connie and Bert Davis, Ann Shippey, Sister Ruth, Dot (Mrs. R.G.) Hubbard, Mrs. H.A. Thompson, Mrs. Clara Greenwald, the Bob Wades, Rev. and Mrs. Dwyne Mounier, the entire Turcotte family; Beulah and Sidney Bourgeois, Julia and Luke Caruso, the Sam Caves, the Marvin Pauls, Mae Tenney, Elvira and Gerry Ross, Nat (Mrs. Jimmy) Ryan, Beryl and Lucien Kidd; and the above mentioned made up only about one-hundredth of the number in attendance.

IRENE (MRS. BEN) HILLE hosted the annual Bay-Waveland Garden Club picnic Wednesday at the Hille camp on Jordan River. Having a wonderful time fishing, crabbing, playing bridge, Trippoli, etc. beneath the shade of majestic oaks, and consuming mountains of delicious food and just about everything one could desire in the way of liquid refreshments were: Mae (Mrs. C. R. Beyer, Katherine (Mrs. R. W.) Riggs, Helen (Mrs. Phil) Herlihy, Marjorie (Mrs. Mitch) Mitchell, Lynette (Mrs. Lelyn) Nybo, Gerry (Mrs. Herbert) Finlay, Barbara Gray and Inez (Mrs. Reuben) Gray. Also, Gladys (Mrs. Harold) Hicks, Annie (Mrs. Alfred) McCaleb, Teeny (Mrs. J.H.) Duggan, Bea (Mrs. Julian) Lorenzen, Doris (Mrs. Frank) Ryder, Marilyn (Mrs. Frank) Hille, Laura May (Mrs. John) Pritchett, Edna (Mrs. John) Isom, Hilda Ballinger, Lillian (Mrs. Charles) Lampe, Hazel Marcy, Helen (Mrs. Hugh) Miller, Sylvia (Mrs. Ralph) Lefay and Mrs. L. H. Ott.

OVER 100 GUESTS dropped in at the Beach Boulevard home of Pat (Mrs. Charles) Dickinson Wednesday to meet Ginny Alexander, Ginny and Jody Cox who were impressively wedded last week. They were making their home a few houses south on the beach upon returning from their honeymoon. Pat's to-be-wedness at the coffee, which was scheduled to last from 10:30 a.m.

til 12:30 p.m., but actually didn't end until well after 2 p.m., were Jill (Mrs. Gerald) Cox, Inger (Mrs. Walter) Phillips and Terry (Mrs. Lars) Phillips. The receiving rooms which included both spacious porches, were decorated with a profusion of colorful blossoms and guests admired the show of day lilies which were in full bloom upon the lawn. Just a very few of those who came to enjoy coffee, sherry and temptingly displayed snacks, canapes and hors d'oeuvres were: Elaine (Mrs. Vic) Leveau, Loula (Mrs. E. N.) Spence, Gerry (Mrs. Lucien, Sr.) Cox, Jo (Mrs. Omar de Beyer, Rebecca (Mrs. Leo Sr.) Seal, Mabel (Mrs. N.L.) Carter, Marie (Mrs. Ray) Gordon, Penny (Mrs. Dave) Treutel, Bobbie (Mrs. Henry) Maggio, and Evelyn Cox. Also, Linda (Mrs. Tommy) Kidd, Nell (Mrs. Bill) Frisbie, Lynn (Mrs. Reed) Frisbie, Jean (Mrs. Andrea) Arceneaux, Hal (Mrs. Fred) Hoagland, Joan (Mrs. Powell, Jr.) Glass, Mrs. E.M. Brignac and daughter Diane (Mrs. Donald) Ladner, Rita (Mrs. Marion Jr.) Wolfe, Helen (Mrs. James) Plunkett and Mat (Mrs. Horace) Kergosien.

LOE AND JIM RYAN have been entertaining some most interesting guests. Last week their son Dr. Kenneth Ryan, who is completing his residency at the University of Washington Hospital in Seattle, wife Judy and daughters Sara and Katy,

JANET LUXICH was installed as worthy advisor of Bay Assembly, Order of the Rainbow for Girls at the annual installation last Saturday. The officers installed were as follows:

Janet Luxich, Worthy Advisor; Rhonda Woods, Worthy Associate Advisor; Patty Jastram, Charity; Lynn Chasaz, Hope; May Ellen Minchew, Faith; Teresa Jarman, Rescuer; Betty Vanta, Treasurer; Kathryn Seals, Chaplain; Cathy McLauren, Drill Leader; Connie Star, Love; Jans R. Ramsey, Religion; Kim Lucas, Nature; Terrie Moran, Immortality; Phyllis Wade, Fidelity; Lauren Allaine, Patriotism; Diana Vanta, Service; Mary Whitfield, Confidential Observer; Cathy Vanta, Outer Observer; Patty Hood, Musician and Denise Burch, Choir Director.

VICKIE SUE JONES, Former Bay resident was graduated in Commencement Exercises held May 26, at Gulf Park College for students of Long Beach Senior High, Long Beach, Miss. Miss Jones is the daughter of Mr. and Mrs. John H. Blackwell of Long Beach and Mr. L. T. Jones of Waveland, Miss.

drove in for their first visit to the Deep South. They had been in Miami where Dr. Ryan presented a paper at a medical convention. Sara and Katy were fascinated with the beaches, but apparently preferred the sands at Bay-Waveland Yacht Club to the larger ones in Harrison County, as they referred to it as the "swinging beach". On Friday Jim's brother, Fr. Kenneth T. Ryan, arrived after participating in a publisher's

convention in Atlanta, Ga. Rev. Ryan is editor of the Catholic Digest which has many subscribers in this area. The publication's home offices are in St. Paul, Minn.

CHANGE IN PLANS - The reception which will follow the wedding of Dana Seltzer and James Fayard at 6:30 p.m. Friday at Our Lady of the Gulf Catholic Church, will be held at the American Legion home instead of the K. C. hall as previously announced.

THE PARENT sponsored after-graduation dance for Bay High seniors was apparently most successful as all but a very few of the 118 ticket purchasers stayed until after the popular Sixth Editions had played their last tune. The decorating committee went all out and numerous graduates took home huge, colorful flowers as souvenirs of the affair. Those responsible for refreshments also did themselves proud serving a feast of ham, potato salad, sandwiches, chips, dips, cake, cookies and an unending supply of the most popular of all soft drinks.

ANOTHER LARGE Friday night fete was tossed by Elvire and Gerry Ross in honor of their graduate son Clark. Most of the guests had departed after eating from the elaborate buffet and drinking their fill before our junior reporter appeared on the scene. Some of those who remained well into the wee hours were Nancy and Don Kern, Ruth (Mrs. W. C.) Frierson and son Dirk, who is visiting here from New York; Martha and Bill Stewart and a number of Clark's reveling classmates.

KEITH LADNER was also honored at a post-commencement party last Saturday after he received his diploma from Stanislaus. His parents Betty and Clyde were hostess and host, and we're told that an abundance of delicious food and drink was put away by the many who dropped in to congratulate Keith.

A GET WELL wish is on the way to Fran (Mrs. Hal) Green who is now recuperating at her home after spending some time in Hancock General for treatment of pneumonia.

LAURENT KERGOSEN made like a tourist last week as he drove two of his brothers on a tour of Coleman Avenue. His brother Emmett was here from Ponchatoula, and another brother, Charlie, was combining business and pleasure as he made a business call on Waveland Drug.

CHRIS AND DAVE Burchare driving around in their shiny, new, maroon automobile.

MARION AND WESLEY Dorn are also quite proud of their luxurious new station wagon.

TWO OF BEA (Mrs. George) Georgi's nephews are making names for themselves in the Crescent City. Earl Retif, Jr., was named registrar of Loyola University and Milk Retif's Tulane baseball team has racked up the largest number of victories during a season in the last 25 years.

THE A-FRAME Lounge has re-opened under the management of Giselle and Louis Schwall, Jr.

ELIZABETH (MRS. MANUEL) Maurigi, better known as Bea to her many friends, appears to have completely recovered from her recent illness.

MRS. RUTH KETCHUM, who has slimmed down to sylphish proportions, recently completed extensive renovations on her attractive Pine Street home.

DOT AND JIM Mayfield, spent last weekend visiting friends in Atlanta, Ga.

ANIMAL NOTES - A special hope you're feeling wish goes to Cleo Bradley, Marcelle's number one dog, who has been off her feed of late.

LOTTIE (MRS. GARFIELD) LADNER and son Bert left via plane Saturday for Balboa, Panama where they are to visit another son, Louis. Now that Lottie is safely out of the country we can explain that the surprise Louis has planned for her is a wedding. Julie is his very pretty bride-to-be's first name and we'll have further details when the travelers return.

IT IS WITH deep regret that we mention the loss of another very dear friend, Mr. Clem Penrose, who was among the rapidly dwindling members of true gentlemen of the old school, was buried in Waveland cemetery before we had even heard the news of his death. Mr. Clem's passing also removes another of the really great sportsmen from our midst.

ANOTHER GET WELL wish goes to Mrs. G. T. Moreau who is in traction at Hancock General Hospital after injuring her back in a fall at her home.

SATURDAY'S SHOW turned Joe (Mrs. Omer) de Bever's elaborately planned garden reception for her son Jody and his bride Ginny, into an inside affair. Jo was lovely as always in a most becoming gown of apricot hued lace. The mother of the bride chose pale green, which was almost exactly the shade worn by bridesmaids, or rather matrons, in this case. The large company of family members and guests, partook of beautifully prepared food and thirst quenching drink until, and after, the moment when Ginny and Jody departed for their wedding trip. Former residents Loraine and Bobby Camors were among those from out-of-town in attendance.

MUCH EXCITEMENT on the Waveland beach in front of Titi and Joe Butte's home just about dusk Saturday, Jim Guffy landed in a real helicopter much to the jubilation of his offspring Kay, Pat, Leo and Ben, and the small Bunkos, Gino, Lina and Joey. The young helpers made a huge circle in the sand to show him exactly where to lower the craft. Jim's wife Dot, the Bunkos, Lilian and Joe Griffin, Jewell Miller and a number of other adult spectators were on hand to welcome the flyer with much needed liquid nourishment.

WE'RE VERY sorry to hear that our good friend Mgr. James O. Hanson will be taking over a new parish in Pascagoula when he returns from his annual June trip to his native Ireland. His successor is to be a Fr. Johnson, and we can only hope that his first name isn't Charles, as two Rev. Johnsons

in this small town will cause enough confusion without further complications.

FISHING NEWS - Soft shell crabs have been so plentiful of late that one fisherman describes the invasion as being almost like the yearly Mobile fish jubilee. Everyone who has caught the tide just right has returned home with dozens of the tasty crustaceans.

SIGHTS AND SOUNDS A-LONG THE WAY - A mixed brigade of Shetland pony and bicycle riders ambling idly along a busy thoroughfare; a solemn faced sidewalk superintendent supervising the paving work along Beach Boulevard; sun worshippers, their skins ranging in shades from pinkish-white to lobster red, as they lie unmoving upon the silvery sand and the lonely sound of a tug boat whistle mingling with the subdued symphony of the wash of the waves.

MR. GARDEN B. EVANS OF WAVELAND TAKES DELIVERY OF HIS NEW CAR FROM LAMAR-LANE CHEVROLET SALES MAN HERB BARON.

Mr. Garden B. Evans stopped in Gulfport and Biloxi for a service, and then stopped in Bay St. Louis at Lamar-Lane Chevrolet. He bought from Lamar-Lane Chevrolet a 1966 Chevrolet because his quote was less than other dealers along the coast. He also bought a Lamar-Lane Chevrolet because he knew about the good reputation Herb Baron has in making honest deals with his customers. If you're in the market for a new car, look for Lamar-Lane Chevrolet in Bay St. Louis; ask for salesman Herb Baron.

A LIGHT SHINES *in the* CHURCH WINDOWS

"Bull's-eye!" The arrow flew straight to the heart of the target.

And so, straight to the heart of the matter fly the minds of young people today. In this age of advanced technology and far-flung communication, youngsters are better informed, geographically, politically, scientifically and economically than at any other time. No vague generalities, no sugar-coated probabilities will satisfy them. They want the facts and straight-to-the-point answers.

That's why your church recognizes the importance of having trained and devout leaders and teachers for its youth programs.

Graduation time salutes these people who give so much of their time and training to the Christian development of our children. Their dedication and devotion reflect their love of God in their ministry to the men and women of tomorrow.

T.G. & Y. Stores Promote Executive Personnel

Household Finance Corporation announced this morning that C. A. Henderson, President of T.G. & Y. Stores in Oklahoma City, has been elected President of Household's new executive subsidiary, City Products Corporation. City Products is the nucleus of Household Finance's merchandise complex, operating franchised variety stores through the Ben Franklin Division, and company-owned variety stores through its T.G. & Y. and Scott Divisions. It is a major merchandiser of hard goods through White Stores, Coast-to-Coast, and Badger Stores Divisions, and of furniture and department stores through several subsidiaries operating on the East Coast, in Chicago, and on the West Coast.

City Product's volume for 1965 was 758 million dollars; and it is anticipated that this total will grow to over a billion dollars in the next few years, with the corporation's planned expansion program.

Henderson's new assignment is effective this date. He plans to commute until August when he will move to Des Moines where the company's headquarters are located. Because of the size of the company's investments and planned expansion of T.G. & Y. in the Southwest, Henderson will keep his townhouse in Oklahoma City and will spend a great deal of time with the T.G. & Y. Division.

Henderson has been active with T.G. & Y. Stores since its inception in 1935, opening the first store as manager in Norman, Oklahoma. Since that time he has been continuously employed by the company in all phases of its operation, and has been active in spreading the company through the southern states of the nation, with over 700 stores. T.G. & Y.'s volume for 1965 was approximately 200 million dollars, and it is anticipated that it will be approximately 240 million dollars in 1966. The Corporation is engaged in a very aggressive store opening program. While store openings have been slight behind schedule to date 1966, T.G. & Y. still expects to open over a million square feet before the year ends. Approximately 70 stores, many of which are family centers. Opening program for 1970 calls for an additional 1 1/8 million square feet.

Henderson announced that W.W. George will succeed him as President of the T.G. & Y. Division. George was born and reared near Tulsa in Northwest Oklahoma, and started his thirty years in retailing in the food business. He then worked with S. H. Kress & Company until 1942 when he served four years with the 8th Air Force, joining T.G. & Y. at the end of World War II.

His first responsibility with T.G. & Y. was as Assistant Manager in Cordell, Oklahoma. The first store he managed was in Oklahoma City in 1946. He served as Supervisor of the Amarillo, Texas area from 1948 until late 1950 when he moved to Kansas City where he served as District Manager. From 1960 to 1962 he was Division Vice President of Kansas City, Dallas, and Los Angeles, and then moved back to Oklahoma City as Vice President in charge of Store Operations, in which capacity he served until appointed Executive Vice President in 1965.

George and his wife, Frances, and daughter, Jane, are active in the Memorial Christian Church.

W. V. Tullos, Division Vice President of the Southeastern Division of T.G. & Y., with headquarters in Baton Rouge, Louisiana, will assume George's duties as Operations Vice President and will be moving to Oklahoma City about August 1. Tullos joined the company in 1955, merging five stores that he owned into the company, and since that time has had charge of opening and operating about 180 stores in his division.

Workshop on Disaster Communications to be in Jackson June 19

A workshop on disaster communications will be held by the Mississippi Society of Hospital Engineers June 19-20 at Mississippi Hospital Association headquarters in Jackson.

Bruce Lester, Northeast Mississippi Hospital, Booneville, president of the statewide association for hospital engineers, said the workshop is designed primarily for engineers, but hospital administrators are encouraged to attend if their schedules permit.

"The program," said Lester, "will be an intensive session concerned with a practical approach to preparedness for disaster. We want to improve the hospital's capacity to react to an emergency situation."

Lester noted a "recent series of disasters" in the state, including the tornado which hit the Hazlehurst area in January.

He also noted that increasing emphasis on communications in dealing with disasters is being placed by the Governor's Highway Safety Program and by the Mississippi Hospital Association.

Don Popham, engineer at Hardy Wilson Memorial Hospital in Hazlehurst, will report on that hospital's reaction to the influx of victims of the Hazlehurst tornado on January 30 of this year, and Richard H. Malone, administrator of Hinds General Hospital in Jackson, will report on activities in Jackson in receiving patients from the tornado area.

Charles W. Flynn, director of the Mississippi Hospital Association, will talk on "The Price of Survival."

John C. Clements, engineer at Hinds General Hospital, will discuss "The Fundamentals of Radio" in an emergency situation.

James T. Payne, communications officer, of the Mississippi Highway Safety Patrol, and a representative of the Jackson-Hinds County Civil Defense will describe community emergency radio resources in the state and in the Jackson area.

MEC'S 21st Annual Meeting Scheduled

The Mississippi Economic Council's Annual Meeting Committee today began plans for development of the format and subject matter of the MEC's 21st Annual Meeting which is scheduled for April 7, 1970.

The Annual Meeting Committee, under the direction of Perrin Caldwell of Senatobia, is assigned the task of planning and promoting the annual Council affair, which is Mississippi's largest statewide gathering of business and civic leadership.

Caldwell said, "The Committee established a general format for the event and will immediately begin matching top-notch speakers with suggested subject matter. As in past years, the day-long meeting will feature several sessions concerning both state and national issues that are both timely and of statewide interest."

He added that specific session topics and program personnel will be announced at a time nearer the actual meeting.

Wm. Henry Harris of West Point, MEC president and publisher of the Daily Times Leader, told the committee about the Council's work for the coming year and also discussed the importance of the Annual Meeting to the over-all MEC operation. During the meeting William B. Barrett of West Point, executive director of the North Mississippi Industrial Development Association, was appointed vice chairman of the committee.
